

# The Hummin'Birds

theHumminBirds.com

AMBIENT | ACOUSTIC | TRADITIONAL

The Hummin'Birds go back in time to pull sounds from earlier eras in American music. Delivering an easygoing and energetic performance, they mix it up with old-time, bluegrass, classic country, swing, and original songs.

For nearly two decades, founding duo Mike Silbernagel and Cami Harris have been collaborating with a core group of talented musicians around the Front Range to add fun and festive ambience to events of all kinds.
